

## Oxclose Nursery School

### Early Years Pupil Premium Expenditure Report: 2020/2021

#### Overview of the School

Number of pupils and early years pupil premium grant (EYPPG) received			
	Autumn Term 2020	Spring Term 2021	Summer Term 2021
Total Number of 3 & 4 Year Old Pupils on roll	60	64	77
Number of pupils entitled to EYPP	4	5	5
% of Pupils			
Amount of funding per pupil	£111.30	£87.45	£103.35
Total amount received each term	£445.20	£437.25	£516.75
Total Amount for Year			£1399.20

#### Rationale

The early years pupil premium (EYPP), was introduced in April 2015 for early years providers who are delivering the funding entitlement for 3- and 4-year-olds. The funding equates to up to £300 extra per year for each disadvantaged child who meets the eligibility criteria.

Early years providers will be able to access the EYPP funding to help them support their most disadvantaged children. Children will qualify if they are 3 or 4 years old, are receiving government-funded early education, and their parents receive benefits used to access eligibility for free school meals.

Research shows that these children are more likely to underachieve. The funding is provided in order to support these pupils in reaching their full potential. The government does not stipulate how the money is spent but it must be used to close the attainment gap between all pupils.

At Oxclose nursery we assess each child in receipt of EYPP funding termly and continuously track their progress using ongoing assessments. We then use EYPP funding to provide resources, experiences and targeted teaching to accelerate learning or provide greater challenge where needed. This is additional support to that provided to all other pupils.

#### Nature of Support 2020/2021:

#### How do we plan to use the EYPP funding?

We had up to 5 children in receipt of Pupil Premium for the school year 2020/2021.

#### Needs are:

The main area of need for this year's EYPP children was Listening and Attention, with many children having additional needs with sharing and turn taking, particularly in group situations. Two of the children are working in line with their peers. Parents of one child in receipt of EYPP funding required additional support during the lockdown period. One child is more able and requires extension activities to harness an interest in construction.

Item/Project	Cost	Description of activity	Outcomes
BLAST training – Throughout year.	Trained Speech and Language support assistants time £13.65 per hour. (15 weeks)  and  Blast interventions one session (15min) per day for 15 weeks x 2  = £204.75	All staff trained to deliver BLAST intervention programme.  This will be used as an intervention to support EYPP children in both PSE and Listening and Attention.	<b><u>Communication &amp; Language.</u></b>  <b>Autumn Term:</b>  50% of all EYPP children working at or above expected level of learning.  <b>Summer Term:</b>  80% of all EYPP children working at or above expected level of learning.
BLAST programme 2.	Purchasing BLAST 2 materials =£215	To extend more able EYPP children BLAST 2 has been purchased.  BLAST 2 works on the underpinning skill for reading by developing a child's Phonological Awareness.	<b><u>Personal, Social &amp; Emotional Development</u></b>  <b>Autumn Term:</b>
EY practitioner to support parents of EYPP children who were isolating at home due to covid 19..	EY practitioner time to speak with parents during telephone appointments.  EY practitioner time to work with children individually as they access nursery during the lockdown period.  = £13.65 per hour. 1 hour per day for ten weeks.  Total: £136.50	Parents to have access to telephone support from nursery staff.  EY practitioner speak to with parents to discuss any support they may need at home with their child.  Children to be given access to nursery daily, regardless of keyworker/vulnerable status.	25% of all EYPP children working at or above expected level of learning.  <b>Summer Term:</b>  80% of all EYPP children working at or above expected level of learning.
BLAST 2 training – Summer Term.	Trained Speech and Language support assistants time £13.65 per hour. (4 weeks)  and  Blast 2 interventions one session (15min) per day for 4 weeks x 2  = £109.20	All staff trained to deliver BLAST 2 intervention programme.  This will be used as an intervention to develop Phonological Awareness in EYPP children.	
Resources and activities to support families	Story books to promote rhyming words, (including a book to support transition to primary school)	Phone calls during the winter lockdown were used to support the families of EYPP children during the	<b><u>Maths Scores:</u></b>  25% of all EYPP children were working at or above the expected

during lockdown	<p>Mark making resources,</p> <p>Board games to promote turn taking and counting,</p> <p>Fine motor activities</p> <p>Creative craft packs.</p> <p>=£150</p>	<p>lockdown. Both the child's educational needs and discussions with families were then used to design a set of resources that could support their learning at home. The resources were sent directly to the child's home. Regular emails and phone calls from the teacher were used to monitor each child's progress and provide additional support to parents.</p>	<p>level of learning in Maths on entry in the Autumn term.</p> <p>This had increased to 40% by the Summer term.</p> <p><b><u>Literacy Scores:</u></b></p> <p>25% of all EYPP children were working at or above the expected level of learning in Literacy on entry in the Autumn term.</p>
<p>Wood work sessions in small groups working with two children. Woodwork develops personal, social and emotional development, physical development, creative and mathematical thinking, scientific investigation and develops language.</p>	<p>Early Years Practitioner support assistants time £13.65 per hour. 3 hours per week for four weeks.</p> <p>and</p> <p>Second EY practitioner to aid with supervision of children during woodwork sessions.</p> <p>= £327.60</p> <p>Woodwork resources: wood, saws, nails, screws, screwdrivers: £250</p>	<p>Children to have weekly support to extend construction and problem solving skills.</p>	<p>This had increased to 40% by the Summer term.</p> <p><b><u>Physical Development</u></b></p> <p>25% of all EYPP children were working at or above the expected level of learning on entry in the Autumn term.</p> <p>By the Summer term, 60% of EYPP children were working at or above the expected level of learning.</p>
Total Cost:	£1393.05		

## EYPP Children Progress Breakdown

EYPP children made more progress than all children in Physical Development

- 80% of EYPP children made six or more steps of progress in Physical Development.
- 75% of EYPP children made six or more steps of progress in PSE.
- 87.5% of EYPP children made six or more steps of progress in Literacy.
- 75% of EYPP children made six or more steps of progress in Maths.
- 75% of EYPP children made six or more steps of progress in KNU.
