

Oxclose Nursery Newsletter

Volume 12 January 7th 2022

Vulnerable Families

Some of our families have expressed concern about the rising covid cases due to vulnerable family members. Please could we ask all our families to be vigilant about sending to children to nursery with covid symptoms to protect the wider nursery community. Children with coronavirus symptoms will still be required to obtain a PCR test. If you are monitoring your child at home, LFT tests can be ordered via [Order coronavirus \(COVID-19\) rapid lateral flow tests - GOV.UK \(www.gov.uk\)](#)

Thank you for your help.

Library Books

Please can we remind families to return library books by Tuesday? We hope that you are enjoying reading stories at home with the children.

Coronavirus

Please inform nursery immediately of any Covid test results via email.

Symptoms of Coronavirus

We would like to remind all parents/carers that it is our policy that any child who presents with **one or more COVID symptoms**, should take a LFT test. If anyone tests positive for coronavirus in your household, please inform Nursery.

This is to safeguard all children and staff in nursery. Thank you for your continued support in this matter.

If your child receives a positive test result over the weekend, when nursery is closed, the best way to contact us would be via email:

oxclosenursery@durhamlearning.net

If we need to contact all parents quickly, this will be done via a text message through our parentpay text message service.

Therefore, if you have not already signed up to this, please contact the office if you need further login details or support.
