A Sad Goodbye to all our lovely Children and Families

I cannot believe that we are already at the end of the year with our children. We are so proud of how well they have grown into kind, thoughtful, confident and clever children! Their new teachers will be incredibly lucky to have them! They are a credit to both our staff who have cared so much, and worked so hard with each and every child; and our families who must be the most supportive and thoughtful in the country! No wonder our children have done so well! Thank you to everyone who has given them the best start they could have.

Safe Summer

We wish all our families a safe and fun summer holiday. One of our parents has kindly shared some very useful information to keep our children safe during the holidays. The link to this information can be found on our website.

Thank you and goodbye Mrs Taylor and Mrs Heron

Wednesday will be the end of an era for Oxclose Nursery and the beginning of a new one as we say goodbye to Mrs Taylor and Mrs Heron. Both Mrs Taylor and Mrs Heron are highly respected by parents, children and staff alike and they have been a huge part of Oxclose for decades. Oxclose is proud of its record of 5 outstanding Ofsted inspections and generations of children have benefited from the wisdom of 2 professionals who put children at the heart of everything that they do. Nursery is an exciting year and a special time in the lives of the children and Mrs Taylor and Mrs Heron have created so many wonderful experiences and created so many amazing memories. I believe that Mrs Heron may well be coming in as a volunteer to help out and I look forward to that very much. I have enjoyed working with Mrs Taylor over the past 3 years and it has been an especially challenging time to be a school leader due to COVID and other factors. She will take her kind natured, gentle approach and apply this to her new role in teaching the deaf. Thank you so much to them both- I know that they will be inundated with well wishes from the Ox Close community. Mr Harrison

Congratulations Nursery children

Next week we have Nursery Graduation, which should be a great occasion. Sadly, we will be saying goodbye to many of our Nursery children, who will be starting school in September. Some of these children will be staying at Ox Close but others will move on to other schools and we wish them all well. For those children who are staying with us in Nursery, we look forward to some very exciting times with the new look Nursery team in the new year. Mr Harrison

Thank you to all the Amazing Staff at Oxclose Nursery

I am so grateful to have worked alongside, and to have learnt from such amazing people. During our years together, staff have supported not only the children, but each other through sadness, happiness and even a worldwide pandemic! Through it all, the ability to make each other laugh will be the thing that I will miss the most. Their love and commitment to their vocation for ensuring that the children have a bright future in school, deserves the biggest medal in the world! Thank you girls. X Mrs Taylor

A Sad Goodbye to Mrs Taylor

All the staff at Nursery would like to wish Mrs Taylor well in her new post in September. Since her appointment at Oxclose Nursery she has worked tirelessly for the good of staff and children alike. She has seen many changes in the 14 years that she has been with us, and in all she does has always put the needs of the children first. Mrs Taylor has been a good friend to all the staff and will be a big miss. We wish her lots of happiness in the future. Mrs Heron

Lost Property

One of our children has lost a yellow t-shirt. If anyone has taken it home by mistake, please could you return it to a member of staff. Please check inside your children's bags, in case your children have picked it up by mistake.

Dates for the Diary

We are pleased to publish currently confirmed dates for the rest of the academic year and these can be seen in the table below.
